<b>NOTES:</b>					

## **FYC 6026 Human Resource Management for Nonprofits**

**3 Credits**

**Grading Scheme:** Letter Grade

This course analyzes core nonprofit human resource management functions including recruitment, selection, performance management, labor relations, volunteer management, compensation and training, for effective nonprofit management. Experiential exercises are used to simulate situations and issues that managers face in nonprofit organizations.

## **FYC 6105 Youth and Family Relationships**

**3 Credits**

**Grading Scheme:** Letter Grade

This course will examine youth (children, adolescents, emerging adults) and family development within the family system. It will review basic theory and research on youth development and how it is linked with family development, family processes, and extended family systems. Using theory and research when working with youth and their families will be highlighted.

## **FYC 6117 Military Families in Community Context**

**3 Credits**

**Grading Scheme:** Letter Grade

Military culture and procedures, issues related to service in the military, the impact that military service can have on the individual and family, and strategies for providing services to military personnel and their families.

## **FYC 6207 Adolescent Problematic Behavior**

**3 Credits**

**Grading Scheme:** Letter Grade

Ecological model to examine common themes of adolescent development with challenges that lead to problematic behavior.

## **FYC 6221 Grant Proposals for Community-Based Organizations**

**3 Credits**

**Grading Scheme:** Letter Grade

Skills needed to develop funding proposals to support community-based projects and organizations.

## **FYC 6223 Promoting Positive Youth Development**

**3 Credits**

**Grading Scheme:** Letter Grade

Examines risk and protective factors for promoting youth development.

## **FYC 6230 Theories of Family Development, Systems and Change**

**3 Credits**

**Grading Scheme:** Letter Grade

Provides an overview of the major theoretical perspectives on families, including family development and family systems; and emerging theories relevant to changing families. Special attention is given to the application of these perspectives for research and practice.

## **FYC 6234 Theoretical Approaches to Youth Development**

**3 Credits**

**Grading Scheme:** Letter Grade

An in-depth examination and synthesis of historical (macro) and contextual contemporary (micro) theories of youth development, spanning from childhood through emerging adulthood, as they are used to inform research, including applying principles and theories of youth development to community-based settings.

## **FYC 6320 Community Development and Civic Engagement**

**3 Credits**

**Grading Scheme:** Letter Grade

Examining the process and methods for community development with an emphasis on research related to civic engagement and public participation. Students will develop skills for managing change in communities.

## **FYC 6421 Nonprofit Organizations**

**3 Credits**

**Grading Scheme:** Letter Grade

Community nonprofit organizations. Governance, policy and decision making, and planning.

## **FYC 6424 Fund Raising for Community Nonprofit Organizations**

**3 Credits**

**Grading Scheme:** Letter Grade

Critical evaluation of fundraising theory, research on the profession, and best contemporary fundraising practices in the nonprofit sector.

## **FYC 6425 Risk Management in Nonprofit Organizations**

**3 Credits**

**Grading Scheme:** Letter Grade

A foundation in the concepts, principles and strategies associated with risk management in nonprofit organizations. Topics include the nature and purpose of risk management; the general risk management exposures facing nonprofit organizations; and risk mitigation strategies for nonprofits.

## **FYC 6620 Program Planning and Evaluation for Human Service Delivery**

**3 Credits**

**Grading Scheme:** Letter Grade

Contemporary theories and process for planning and evaluating human service education and delivery programs.

## **FYC 6802 Advanced Research Methods for Family, Youth, and Community Sciences**

**3 Credits**

**Grading Scheme:** Letter Grade

Research tools and techniques appropriate for an ecological model, emphasizing a multi-method approach.

## **FYC 6804 Applied Data Analysis in Family, Youth and Community Sciences**

**3 Credits**

**Grading Scheme:** Letter Grade

This course introduces Family, Youth and Community Sciences graduate students to basic quantitative data analysis techniques that can be applied to critical social science research questions, public management and policy problems, and program evaluation. The course emphasizes proper pairing of analysis techniques to data types; application and interpretation of statistical analyses; use of data analysis in decision-making; and implementation of data analysis using computer software.

## **FYC 6901 Problems in Family, Youth, and Community Sciences**

**1-3 Credits, Max 6 Credits**

**Grading Scheme:** Letter Grade

Advanced students select and study problem related to family, youth, and community sciences.

## **FYC 6920 Capstone Project 3 Credits**

**Grading Scheme:** Letter Grade

Students will complete a final project addressing an issue within Family, Youth and Community Sciences, prepare an e-portfolio of academic and professional accomplishments, and deliver a professional presentation. The successful completion of these course assignments satisfies the graduate school requirement for a comprehensive examination for a master's degree without thesis.

**Prerequisite:** Permission of department.

## **FYC 6932 Topics, in Family, Youth, and Community Sciences 1-3 Credits, Max 6 Credits**

**Grading Scheme:** Letter Grade

Critical review of selected topics.

## **FYC 6934 Professional Internship/Practicum in Family, Youth, and Community Sciences**

**1-3 Credits, Max 6 Credits**

**Grading Scheme:** Letter Grade

Directed work experience or internship in professional capacity.
